

MNT Training Ltd Breastfeeding Course

This course is designed for individuals who wish to deepen their knowledge of breastfeeding and ability to support women who are breastfeeding. The course is held over 2 consecutive days and is open to anyone who has an interest in breastfeeding, however anyone working as a maternity nurse, doula or nanny in a home with a new baby will find the course particularly beneficial.

Accreditation: This course is accredited by the Open College Network (OCN OTC) at level 3 and carries 6 credits. In order to pass and receive their OCN accredited certificate, students will need to successfully complete the post course assessment at home following the course (students will need access to a breastfeeding mother). If students cannot access a breastfeeding mother they can opt not to do the assessments but will only get a certificate of attendance. Assessments are sent to learners via email after the course-saving learners time and money. Learners are required to submit their assessments back to us via email. (Alternative postal arrangements are available for learners unable to use email-however this incurs an additional fee of £15 for UK based learners- this is payable after the course).
