

## Parking Instructions for Students Travelling By Car to Reading

As of Jan 2007 the University no longer allows students to park on the London Road Campus and therefore anyone wishing to travel to Reading by car needs to park outside of the campus and walk in.

1. There is a **multi-storey car park on Queens Road** which is chargeable. Students need to go around the one way system to get to this car park by getting onto Southamption Street (a one way road) and travelling to the big roundabout at the end. At the roundabout take the first right (not the second right) and you will then be on Queens Road. After the big set of traffic lights the car park will be on your left. Once parked you can then walk over Queens Road and walk up Sidmouth Street, cross over London Road and into Crown Place.
2. Alternatively you can use the multi-storey car park within the **Royal Berkshire Hospital** (as marked on the map below.) This can be reached via the Craven Road entrance to the Hospital. Turn left off Redlands into Addington Road and then left into Craven Road. Access to the car park will be found halfway down on the left hand side.
